Why should I join RMFSC?

U.S. Figure Skating is organized through member clubs like RMFSC. Membership in RMFSC provides skaters with all of the benefits of a USFS membership, including:

- eligibility to compete in USFS sanctioned competitions
- eligibility (at certain levels of RMFSC membership) to test in front of USFS qualified testing panels
- a subscription to Skating Magazine
- coverage under USFS's sport accident insurance policy

Which membership class is right for me?

RMFSC maintains many membership classes to serve the various needs of skaters.

- **Introductory 1 and 2** classes are offered at a low cost to allow skaters to compete at the basic skills/free skate level.
- **Individual/Family** level. Skaters ready to test.
- **Recreational** level. Adult skaters who do not wish to compete but want to test may join.
- **Collegiate** membership. College bound skaters.
- **Associate** members. Skaters who train at the Ice Centre but who are members of other clubs.
- **Supporting** member. Skating enthusiasts who do not skate.
- **Coach** and **Official** memberships also are available.

Please refer to the detailed descriptions of membership classes for list of privileges and responsibilities associated with each.

Can I join RMFSC anytime during the year? YES

RMFSC membership provides multiple local club benefits such as:

- RMFSC Scrip Program (earn \$ to pay your skating expenses!)
- Annual Competitor Funding
- Skater's Assistance Fund
- Junior Board
- Annual Banquet
- Annual Ice Show
- USFS Test Sessions
- Skate Swaps
- High School Lettering Program

What are my membership dues used for?

The majority of membership dues go toward USFS membership. The remaining amounts are used to pay for RMFSC's administrative expenses, competitor funding, RMFSC skating and social events, Annual Banquet, Sectional and National Send-offs), and the Junior Board.

Why does RMFSC need Volunteers?

RMFSC is an active club and needs many volunteers for its testing, competition, ice show, skate swap, banquet and other events. Volunteering is great way to meet other skating friends and parents. Please note that some volunteer positions require SafeSport training and/or background checks.

Not ready to be a member just yet. You can always start with public learn to skate lessons. Visit www.icecentre.com for more information.
