

Rocky Mountain Figure Skating Club Scrip Funds Request Form for Exiting Members

(Skaters may not request more funds than they have available in their scrip account)

As an exiting member, you can do the following three things with your existing scrip funds before your current membership year runs out:

1. Use funds to pay existing skating costs such as coaching fees (use the Scrip funds Request Form)
2. Donate your funds to another skater's scrip account for them to use for skating related expenses
3. Donate to the RMFSC Scholarship Fund

If your membership runs out before using the funds in your scrip account, the funds will automatically be donated to the Rocky Mountain Figure Skating Club.

=====

I, _____ would like to donate my existing scrip funds to
_____ for skating expenses as my child or myself will no longer be a
member of the Rocky Mountain Figure Skating Club at the end of the existing membership year.
